

FAST FACTS ABOUT ALOE VERA

Used worldwide in natural beverages and traditional remedies, the soothing aloe vera plant has been employed both topically and internally for about 4,000 years to support health, stamina, and vitality. Research has repeatedly validated many traditional uses of this succulent plant, including its internal use to support gastrointestinal health, a strong immune system, normal blood sugar levels, and to help prevent inflammation.

GNLD's Aloe Vera phyto-beverage provides a refreshing way to start your day. It is an irresistibly delicious, sparkling new taste from one of our long-time favorite drinks. This naturally refreshing phyto-beverage is lightly carbonated and contains pure aloe vera flavored with a unique herbal blend of black tea, chamomile, ginseng, and natural lemon.

WHY AN ALOE VERA BEVERAGE?

- Aloe Vera has been used internally and externally for 4000 years to improve health and boost energy.
- Scientific studies support the healthful roles for aloe vera in digestion, immune system enhancement, diabetes, asthma and other conditions.

WHY GNLD'S ALOE VERA?

- **Finest aloe vera.** GNLD's Aloe Vera meets all requirements of the International Aloe Science Council. Following these standards assures the highest level of aloe goodness in every serving.
- **"Gel only" filleting process** avoids undesirables found in whole-leaf aloe.
- **GNLD's herbal tea blend** contains black tea, chamomile, ginseng, and natural lemon synergistically combined to provide a delicious flavor that will appeal to all members of the family.
- **Lightly carbonated** to provide a refreshing, great-tasting way to enjoy the aloe vera benefit each day.
- **"Glycemic edge"** beverage sweetened with fructose for quick and sustained energy.
- **Only 13 calories per 2 ounce serving!**
