

FAST FACTS ABOUT SUPER 10®

SUPER 10: INDUSTRIAL-STRENGTH CLEANER WITH "3 WAY ACTION"

GNLD's most powerful cleaning product, industrial-strength Super 10, penetrates, dissolves and emulsifies even the toughest grit and grime. It's perfect for industrial use, yet safe in the home. Super 10 makes all your cleaning chores easier, yet it's compatible with the environment. You'll love the way it penetrates grease and stains, wipes out fingerprints, black heel marks, and soapy residue on tile and grout. You choose the strength you need for each cleaning task. It's powerful cleaning for just pennies per use.

HOW IS SUPER 10 UNIQUE?

Super 10 gives you extra cleaning power because of its unique, 3-way action formula:

1. Super 10 penetrates the spot or stain and gets between the surface and the dirt.
2. Super 10 dissolves it, breaking up dirt and grease for easy removal.
3. Super 10 emulsifies it into the cleaning solution for easy removal by rinsing or wiping.

Super 10 has powerful reserve alkalinity, captured and contained power that becomes aggressive only when it chemically "recognizes" dirt and grime.

HOW IT WORKS

Super 10 makes water "wetter" for faster action, using a combination of non-ionic wetting agents, organic solvents and natural soaps. Its concentrated, 3-way action formula gets between the surface and the dirt for superior cleaning performance.

WHY CUSTOMERS NEED SUPER 10

- **Industrial strength, yet safe for you and your home.** Harmless to any surface where it's safe to use water.
- **3-way action.** Penetrates, dissolves, emulsifies.
- **Versatile & economical.** Does the job of dozens of specialty household cleaners at a fraction of the cost. Effective on every job from removing stubborn stains in fabrics to cleaning garage floors.
- **Concentrated.** A little bit goes a long way.
- **Free-rinsing.** Leaves no sticky residue.
- **Nonflammable.** Safe near heat or flame.
- **100% biodegradable.** Organic and phosphate-free.

Super 10 provides everyone with one cleaning concentrate that does the job of a cupboard full of ordinary cleaners, and does it more effectively!

Kitchen: Spray on and wipe clean... appliances, woodwork, chrome, enameled surfaces, stovetops, countertops, windows. Heavy-duty strength for stovetops, grills, fume hoods, and as a presoak for pots and pans.

Bathroom: Fixtures, floors, walls, tile, mirrors.

Laundry: Spot-remover for ink, crayon, lipstick and ground-in dirt and grime.

Living/Family Room: Spot-cleans rugs, windows; great for dusting.

Garage/Car: Vehicle engine cleaner, cleans up grease and oil spots, tools, garage floors. Use general strength for vinyl and naugahyde.

Outdoors: Barbecue grills, driveways, patio furniture.

HOW TO USE SUPER 10

Extra heavy-duty cleaning: 6 oz. plus 18 oz. water in a 24 oz. spray bottle (3-to-1).

Heavy-duty cleaning: 2 oz. plus 1 teaspoon in a 24 oz. spray bottle and fill with water (10-to-1).

General cleaning: 2 tablespoons plus one teaspoon in a 24 oz. spray bottle and fill with water (20-to-1).

Windows, mirrors, light dusting: three drops of Super 10 in 24 oz. spray bottle filled with water.

Floors: Dilute 1 oz. of Super 10-to-1 gallon of water. Wipe clean, rinse with clean, warm water. (Not recommended for wood floors.)

NOTE: See demonstration ideas at the end of this section.

Powerful Cleaning Made Safe

INDUSTRIAL STRENGTH CONCENTRATE • 3-WAY CLEANING ACTION

A powerful, yet environmentally friendly cleaner, SUPER 10 penetrates, dissolves and emulsifies even the toughest grit and grime. Perfect for industrial use, and safe in the home. Dilute with plain water according to the type of application, and let economical SUPER 10 take the hard work out of cleaning chores.

DIRECTIONS FOR USE

EXTRA HEAVY-DUTY CLEANING: Dilute **1 part SUPER 10 with 3 parts water** in a spray bottle. Spray on, agitate and let stand for a few minutes. Wipe off. Cleans stains, grease and oil spots, other grime from: car enamel, chrome and engines (warmed), garage floors, driveways, ovens & grills (warmed), tools, tile grout...heel marks and other stains from linoleum floors.

HEAVY-DUTY CLEANING: Dilute **1 part SUPER 10 with 10 parts water** in a spray bottle.

Spray on and wipe clean stove tops, fume hoods, barbecue grills, patio furniture, brushes and combs. For spot cleaning (first test for colorfastness) spray on, rub in with absorbent cloth, let stand and blot to remove ink, crayon, lipstick and dyes, and stains from carpet and wallpaper. Pre-soak for pots and pans.

GENERAL CLEANING: Dilute **1 part SUPER 10 with 20 parts water** in a spray bottle.

Spray on and wipe clean appliances, luggage, plastics, vinyls, chrome, enamel, jewelry, stainless steel, countertops. For floors, walls, other large jobs, mix **1 part SUPER 10 to 128 parts water** (1 fl oz per gal/8 ml per L) in a bucket.

CAUTION: Contains monoethanolamine and 2-methylethoxy-propanol. Eye irritant. If contact with eyes occurs, flush repeatedly with cold running water for 15 minutes. If irritation persists, contact a physician.

KEEP OUT OF REACH OF CHILDREN.
